

How to ace your job interviews

Talk and Q&A

- How to prepare for your job interviews
- How to stand out from other candidates
- How to answer common interview questions
- How to get the best job offers possible

Josh Doody is a Gator, author and salary negotiation coach. He didn't negotiate his salary at his first few jobs, but quickly realized he had left a lot of money on the table. He began negotiating and doubled his salary in three years.

He took everything he learned, began helping others, and wrote *Fearless Salary Negotiation*, a #1 Best Seller on Amazon. Since then, he has helped many more people earn tens of thousands more dollars.
