Hi [Recruiter name]

[Company name] seems like a great company and this particular opportunity is an exciting one for me because I'm a great fit for [company name]'s needs right now and it's a great chance for me to continue growing as a [job title you're pursuing].

Thank you for extending an offer. It is somewhat disappointing as it seems to be a bit below what I've seen for similar jobs in my market research. This is an exciting opportunity, but I want to be sure this move is a step forward for me in my career.

Are there improvements that can be made to this offer so I can consider them?

Thanks for your time!
